HOTEL STEWART

SAN FRANCISCO

Geary Street, above Union Square

Just opposite Hotel St. Francis

European Plan \$1.50 a day up

American Plan \$3.00 a day up

Steel and brick structure, furnishings cost \$200,000. High class hotel at moderate rates. Omnibus meets all trains and steamers. Hawaiian Island headquarters. Cable address, "Traweta" A. B. C. Code. Reservations made through Trent Trust Co., Port Street, Honolulu.

Hotel St. Francis

Union Square, San Francisco

Under the Management of JAMES WOODS

FACING the beautiful park in the heart of the city, which is the theatre of the principal events of the famous festivals of San Francisco, this hotel, in environment and atmosphere, expresses most pleasantly the comfortable spirit of old California.

The royalty and nobility of the Old World and the Far East and the men of high achievement in America who assemble here contribute to the cosmopolitan atmosphere of an institution which represents the hospitality and individuality of San Francisco to the traveler.

The building, which marks the farthest advance of science in service, has now the largest capacity of any hotel structure in the West, and upon completion of the Post street annex will be the largest caravansary in the world.

WHILE THE SERVICE IS UNUSUAL, THE PRICES ARE NOT.

Are You Thin? Pale?

All run down, easily tired, nervous? And do not know what to take? Then go direct to your doctor. Ask his opinion of Ayer's Sarsaparilla. It contains no alcohol, no stimulation, and is a blood purifier, a nerve tonic, a strong alterative, an aid to digestion. Ask your doctor about Ayer's non-alcoholic Sarsaparilla as a strong tonic for the weak.

A SUGGESTION ON ECZEMA

It is suggested that eczema sufferers ask Honolulu Drug Co. of this city what reports they are getting from the patients who have used the oil of wintergreen liquid compound, D. D. Prescription.

BRUGHELLI IS HEAVY LOSER

Out Thousand Dollars On Hilo Flight—Horse Races Are Good.

(Special Bulletin Correspondence.) HILLO, June 12.—The airman who came to this city to give performances certainly need have no kick at Hilo, though Promoter Felix Brughelli is considerably out and injured as the result of the accident which took place on Saturday afternoon. He had placed a certified check for \$1250 in the hands of Manager Patten of the First Bank of Hilo, to be handed over to Walker when the contract had been fulfilled. Shortly after the accident of Saturday afternoon he instructed Patten to turn over the money in toto.

The gate receipts for Saturday were between five hundred and six hundred dollars, and Brughelli's expenses were probably at least two hundred, which will leave him out to the tune of about a thousand dollars. The crowd on Saturday was small, as most of the local people were figuring on the Sunday to take in the show.

The three horse races were all good and attracted a good deal of attention. Delinga, the new horse brought down to race at Kahului, and owned by John O'Rourke, just managed to trim Major Collier at a mile, in the excellent time of 1:48 1-2, which would have been at least two seconds faster if the track had not been soft. It was a neck and neck race all the way, with Collier on the outside, and there was never a length distance between the two from start to finish.

St. Avon easily defeated Spring Ban in a half mile dash and seems to be in the finest shape of his career. The pacing event brought out a newcomer in Hilo Boy, who defeated Harry Hurst in straight heats, 1:15 and 1:14. In the first heat he just managed to show a half length ahead, by a fine burst of speed. The second heat he led from the flag and won out easily.

TELLS OF WORK WITH LEPROSY

Dr. J. T. Wayson's work with the lepers is given the following mention in the San Francisco Examiner of recent date:

Next time you take a drink of soda water and the gas makes you sputter and cough, ponder a moment over this interesting bit of human intelligence.

That gas, solidified into a "pencil" of the consistency of cold cream, and having a temperature of 110 degrees below zero, is being used in the leper hospital of Honolulu with remarkable success. Two absolute cures of leprosy have been made as the result of freezing the flesh with this "carbon dioxide snow."

Dr. J. T. Wayson, head of the Kahului receiving station, two miles from Honolulu, where all suspected lepers are sent, arrived in San Francisco on the steamer Sierra yesterday and told about his experiments with this "snow."

It has been used in beauty parlors to remove warts and it has been used in lupus and skin diseases, but never until recently has it been tried on lepers.

While the new remedy is not a cure for all stages of this disease it has brought the first rays of comfort into the hearts of those afflicted with the disease.

Dr. Wayson has come to the United States as a delegate to the convention of the American Medical Association in Los Angeles. He has brought wax models with him and will explain the treatment to the physicians.

"It is not a new discovery in itself," said Dr. Wayson. "It is only a new application. I had read of the use of the carbon dioxide in various skin diseases and I experimented on a boy in the first stages of the disease. He has been discharged as cured. Another boy will be sent away soon. These are the first two cases in the islands of absolute cures."

GASOLINE IN GAS.

The Examiner of June 7 says: The Honolulu Consolidated Oil Company is getting ready for the first test on a large scale in the making of gasoline from gas in the Buena Vista Hills. At its great gas well on section 10, 32-34, it is now installing eight eighty-horsepower gas compressors, with which it expects to be able to handle 4,000,000 cubic feet of gas per day. Next week the people who are putting in the plant will go out to connect up the machinery, and in thirty days it is thought the plant will be turning out gasoline in commercial quantities.

BULLETIN ADS PAY

MAUI IS BUSY ON SANITATION

Board of Supervisors Has New Building Ordinance and Will Stand for Enforcement.

(Special Bulletin Correspondence.) WAILUKU, June 10.—The Board of Supervisors, Hon. W. F. Pogge, Chairman, met at the County Hall this week and transacted many important measures regarding sanitation and raising salaries of officials. Mr. T. B. Lyons' appointment by County Clerk W. F. Kaao, as deputy County clerk was approved by the Board. Mr. Lyons' salary will be about \$100.00 per month. Deputy County Attorney Enos Vincent will have his monthly stipend increased from \$90.00 to \$150.00 per month commencing with July 1st. Other raises for efficient services are being contemplated and action on same will be taken up in the future. The problem of raising revenue is bothering the members of the board somewhat, but they believe that raising salaries is the first step necessary in the science of raising revenue for increase of revenue goes hand in hand with increase of pay, especially in county departments. Sanitary Inspector M. P. Waiwalo was instructed to close up pot shops that do not come up to the regulations according to the requirements of the pot act of 1911. Manager H. B. Penhallow, of the Wailuku Sugar Company, Superintendent J. N. S. Williams, of the Kahului Railroad Company, Mr. H. A. Rice, of the Hawaiian Commercial and Sugar Company, and Mr. D. Flemming of the Maui Agricultural Company, and others appeared before the Board of Supervisors and explained their views on the new building ordinance that the County Fathers wish to pass. They all agreed that the remedies aimed at by this ordinance are all covered by the present Board of Health regulations, and fearless enforcement of the same by the health authorities would bring the desired result without necessitating the issuing of permits.

DR. MERRITT HAD BUSY TIME ON MAUI

(Special Bulletin Correspondence.)

WAILUKU, June 10.—Dr. Wm. C. Merritt, representative of the International Sunday School Association of North-western America, has had a very successful trip in the interests of the Sunday schools on Maui this week and he returned to Honolulu by the steamer Mauna Kea quite satisfied with the reception accorded him where ever he went.

On Sunday morning, according to the program laid out for him, he taught at a Sunday school at Pala that morning and afterwards preached to a large congregation in the same church at 11 o'clock. In the afternoon he was at Kahului, and at 7:30 o'clock preached to a large and most appreciative audience at the Wailuku Kindergarten. The choir of ladies and gentlemen sang specially prepared hymns for the evening. On Monday morning at 1 o'clock Rev. Mr. Merritt spoke to about twenty-five pastors and Sunday school teachers of Central Maui at the Wailuku Town Hall, telling them excellent plans to be carried out in Sunday school work which would prove successful if brought into operation.

That afternoon Mr. Merritt spoke at the Wailuku Kindergarten building to Sunday school superintendents and teachers. That evening he spoke to a large congregation at Waikapu, about fifty boys and girls greeting Mr. Merritt with beautiful songs. On Tuesday evening he spoke at the Wailuku Town Hall before the members of the Kaunahani Junior and Senior Christian Endeavor Societies and their friends, and on Wednesday evening a very enthusiastic congregation, both old and young, greeted the illustrious speaker at the Wahee Church, and this terminated his specially prepared program for central Maui, which were all well carried out. Rev. Mr. Merritt left for Lahaina via Kahakuloa, Honokahau and Honolulu, meetings being held at all those places en route.

NERVES NEED

Scott's Emulsion

the same as babies. Babies can't take care of themselves, nor can nerves.

Babies cry for attention—so do nerves. Probably both are half-starved for proper nourishment.

Give them SCOTT'S EMULSION.

"CLEAN-UP DAY" FUND IS LARGE

Between Six and Ten Thousand Dollars to Be Available For Citizen Movement.

Between six and ten thousand dollars is available for use on "Clean-Up Day," Saturday, June 24. This was the statement made to a meeting of the special executive committee in charge of the campaign by President E. A. Berndt of the Oahu central improvement committee yesterday afternoon.

The majority of the money, he further stated, is to come from the Board of Health, and will be the government's contribution to the clean-up campaign conducted by citizens. The rest is to be given by mercantile and shipping interests.

Sixteen out of the nineteen members of the committee attended the hastily-called meeting yesterday and a lot of details were settled as to the conduct of the day of general cleaning.

Another meeting is to be held next Saturday night, and by that time each committee is expected to have some definite plans to report upon.

The committees named are as follows:

Executive Committee—E. A. Berndt,

chairman; B. von Damm, J. L. McLean, Wm. J. Cooper, W. F. Wilson, Dr. W. G. Rogers, C. C. James, F. L. Waldron, John Walker, William Wolters, F. J. McLaughlin, A. Q. Marcellino, M. C. Pacheco, S. Sheba, Y. Kimura, Y. Soga, Chu Gem, Dr. F. Wong Leong and C. K. Ai.

Finance—E. I. Spalding, chairman; J. P. Cooke, E. A. Mott-Smith, Y. Akai, Chin Ming and G. F. Alfonso.

Districting—F. L. Waldron, chairman; Ed Towse, Dr. I. Katsuki, Yee Yap, Dr. Victor S. Clark, A. H. R. Vieira and S. Maholona.

Clerical Help and Interpretations—A. K. Ozawa, chairman; Father Valentine, Eli Crawford, G. Yamada, W. Qual Fong and J. M. Camara.

Cartage and Implements—B. von Damm, chairman; Yong Kwong Tai, David Haugha, Guy Gere, A. V. Peters and M. Kawahara.

Hired Labor—Wm. Wolters, chairman; Frank Creedon, H. K. Alapai, Choy Dan, M. Komeya, V. Fernandez Jr., S. Takahashi and K. Ona.

Transportation—Dr. W. G. Rogers, chairman; W. Motoshige, Leo Joo, C. M. V. Foster, W. Thayer, M. Cooke, K. Maruyama and M. P. Robinson.
